The screenshot shows the Westmont Password Portal homepage. At the top is a dark header with a yellow 'W' logo on the left and the 'InnVest R E I T' logo on the right. Below the header, the page is divided into two main sections. The left section, titled 'Welcome to the Westmont Password Portal', contains three links: 'User Registration' (Establish your identity via registration), 'Self Update' (Update your contact information), and 'Change Password' (Change your password using current password). The right section features a 'Sign in' box with fields for 'User Name' (containing 'USERNAME') and 'Password' (containing '*****'), and a 'Login' button. Below the 'Sign in' box are two options: 'Reset Password' (Reset your forgotten password) with a key icon, and 'Unlock Account' (Unlock your locked out account) with a padlock icon.

Enter username and password and the displayed text at the welcome page and click on the “Login” button.

This screenshot shows the top portion of the Westmont Password Portal. It includes the same dark header with the 'W' logo and 'InnVest R E I T' logo. To the right of the header, the text 'Welcome, username' is displayed.

The screenshot shows the 'Change Password' form. The title bar says 'Change Password' and 'Change your current domain password.' Below the title bar, there is a section titled 'Domain Password Policy Requirements' with a list of requirements, each preceded by a green checkmark: 'Going forward, your password will expire every 90 days', 'You will not be able to reuse any of the last 10 passwords used', 'Password must not contain the user's account name or parts of the user's full name that exceed two consecutive characters', 'Be at least six characters in length', 'Contain characters from three of the following four categories:', 'English uppercase characters (A through Z)', 'English lowercase characters (a through z)', 'Base 10 digits (0 through 9)', and 'Non-alphabetic characters (for example, !, \$, #, %)'.

Below the requirements, there are three input fields: 'Enter Old Password' (containing '*****'), 'Enter New Password' (containing '*****'), and 'Confirm the Password' (containing '*****'). To the right of the 'Enter New Password' field, the text 'Password Strength : Weak' is displayed in red. At the bottom right of the form are 'OK' and 'Cancel' buttons.

If the password is expired it will bring you to the change password tab.

Enter old password and then enter a new password and confirm.

Passwords require a capital letter, a number and at least 6 character in total. Passwords cannot be any of your previous 10 passwords.

Once successfully changed click on the “Click here to continue” button.

Users will then be redirected to the “My Info”

Then click on the “Click Here” button to do the enrolment process.

At the enrolment tab users will need to create answers for the first two questions and then create their own question and answer at the bottom. Remember to confirm answers.

Click on “Enrol” to complete the process.

Users do not need to edit anything under the “My Info” tab.
